PC-3KB13BK

Item Code:

PC-3KB13BK

Included Products:

FlyBoys Low Profile Kneeboard in Black FB1316-BLK

PIVOT Low Profile Kneeboard Adapter PC-ADAPT-1316

PRODUCT FEATURES

- Combat tested kneeboard includes seven eyelets for securing checklists, plastic checklist pages or in-flight guide.
- PIVOT Case EFB adapter attaches to a folding clipboard replacement, making it easy to attach EFB device to kneeboard.
- Ideal for cockpit environments that do not suit or cannot use a suction cup for mounting.
- Popular product among military customers as well as any pilot faced with limited cockpit space.

KNEEBOARD ADAPTER FEATURES

- Compatible with all PIVOT EFB cases.
- Rubberized back for stability.
- Molded base with rotating detents every 30 degrees.
- Upper and lower supports for the case back for greater stability.
- Base plate is based on the VESA standard for custom mount compatibility.
